## Newsletter

JULY 2024

**Awakening** is a continuous journey of discovery, growth, and enlightenment. Awakening is the freedom that comes from realizing our inner potential—personal, intellectual, emotional, spiritual, and social.

We are committed to fostering holistic awakening in our institutions, encouraging curiosity, nurturing talents, and vigorously pursuing dreams. For students, awakening means recognizing their unique strengths and interests, exploring new subjects, engaging in extracurricular activities, and challenging themselves to achieve new dreams.

As we embrace holistic growth, let us strengthen our belief in the power of an open mind and a willing spirit. In learning, personal growth, or community engagement, awakening unlocks boundless possibilities and transformative experiences. Together, let us awaken to the limitless potential within each one of us.

## VALUE OF THE MONTH : AWAKENING !!

Machilakath Abdul Rahim, an Indian from Kerala had spent 18 years in Saudi prison. In a rare show of benevolence and solidarity, Hindus, Christians and Muslims came together to raise Rs 34 crore needed to secure Rahim's release from prison and send him back home. It was an apt Eid-Vishu gift, as the holy month of Ramadan coincided with Vishu, a Hindu festival celebrating Malayalam new year. **Hands raised in prayer for saving life of an Indian** shows the power of unity and compassion. Rahim's mother, Fathima, who has not seen him since the day he left in 2006 is waiting with bated breath for her son's homecoming.

# School Activities

Team Techno Coochbehar took up this upright initiative of organizing a rally around the city on the occasion of the 161st birth anniversary of Swami Vivekananda. Enthusiastic TIGpians performed songs, recitation, Yoga and Martial Arts in the procession. The participants stopped by on cross roads to display Martial Arts moves and Yoga postures. A student dressed up as Swamiji distributed leaflets containing Swamiji's preachings among the masses.

“They came, they saw, they conquered”. The girls’ troop of TIGPS, COB brought 1st prize home at the Republic Day Parade Competition organized by DIST.ADMN,CBR. The troop comprising of 30 cadets was led by Rachayita Sarkar. It was a glorious win for team TECHNO as almost all the Government and private schools of Coochbehar district had participated in the competition.

On the occasion of the 127th birth anniversary of Netaji Subhas Chandra Bose, a bunch of zesty TIGPians roared through the silent streets of the city performing a Nukkad Natak. This team comprising of 15 students performed in the major areas of the city. They could successfully grab public attention through this portrayal. It was a sincere attempt to pay a tribute to Netaji's legacy.

Yoga cum Meditation sessions were conducted as a follow up to the CBSE circular under Pariksha Pe Charcha program. Students from class 3 onwards participated in the session. It was led by our Yoga team headed by Anupam Barman (12 sc). This relaxing session was thoroughly enjoyed by our champs who had a good time before their final exams.

A Poster making competition for classes IX to XII was conducted as a follow up of CBSE circular under Pariksha Pe Charcha program. The hashtag as prescribed was ‘KAHO KAHANI’. Almost 100 students participated in the competition. Every poster was visually appealing and had its own 'kahani' to tell.

# Eco- Initiatives & CSR

On the occasion of Earth Day, April 22, the school ECO Club took up the initiative of distributing saplings in the local government offices of the city. The team comprising of 25 students and 5 teachers visited the offices for the purpose. They were whole heartedly welcomed by the officers. The students planted the saplings in the presence of teachers and the officers. The school Eco-club team also planted trees at our home campus.

With the sole initiative to address the issue of Plastic Pollution, the young Tigpians of class 7 & 8 participated in the Model Making Competition. The theme of the competition was - Planet v/s Plastic. The students were divided into groups of 10 and every group had a team leader. The participants displayed immense creativity and came up with some innovative ideas to replace plastic. The entire event was a thorough learning process for them which also helped to build team work & coordination.

In our attempts to celebrate the 16th Foundation Day in a special way, we chose to reach out to the deprived & needy families. They really struggle each day for basic necessities. Our students contributed to this worthy cause & managed to gift 'Box of Happiness' comprising monthly grocery items to those families. The students' CSR team led by teachers visited those families in person and spent some quality time with them. The motive underlying this initiative was to make our students more compassionate and responsible.

A CSR team comprising of students & teacher volunteers announced the adoption of 28 needy children on the occasion of our 16th Foundation Day. This team will conduct spoken English and computer classes for these children at our home campus. Other activities like Yoga, Martial Arts, Drawing & Games will also be conducted by the volunteers. These children have been given ID cards by our school authority. They will have their classes on every 2nd and 4th Saturdays.
