Message from the Managing Director

The words 'We the People' incredibly embodies the spirit of unity and inclusion. We consistently create an environment where everyone is valued, every voice is heard, and where each individual contributes to the vibrant tapestry of the institution, daring to envision a world where everyone belongs, to bring about a positive change in the society. Unity is not just about standing together; it is about lifting each other up, recognizing that we are stronger when we work together.

Dear students, as you journey through school and beyond, remember that your unity is your strength. Celebrate each other's successes, learn from challenges, and always be willing to stand together. There is no limit to what we can achieve. I wish this newsletter a great success.

Value of the month- We the People

Delhi-based school student Suhani Chauhan recently received Pradhan Mantri Rashtriya Bal Puraskar for Innovation, from President Droupadi Murmu on Independence Day, 2024. A student of Class VIII, Suhani received the highest honour for children and youth for her path breaking innovation 'So-Apt'. So-Apt is a multi-function solar energy powered vehicle for agricultural use, with zero carbon emission to benefit small farmers. The vehicle can be used for seed-sowing, spraying, irrigation, hole digging etc which make it high on utility using renewable energy. If each one of us use the power within us to positively impact our community, town, or nation, 'We the people' can transform our society and take our nation forward.

School Activities

INDEPENDENCE DAY CELEBRATION

We TIGPIANs celebrated our 78th Independence Day, commemorating the sacrifices of freedom fighters and visionaries who shaped our nation. The day began with a patriotic flag-hoisting ceremony, followed by the rendition of the national anthem and inspirational speech of Principal Ma'am. Cultural performances added vibrancy to the celebrations. As we marked this significant milestone, we reaffirmed our commitment to India's core values - diversity, inclusivity, and democracy. May our collective spirit ignite a brighter future for all, and may we continue to strive towards peace, prosperity, and happiness for our great nation.

Raksha Bandhan Celebration

This Raksha Bandhan, we revisited the joy of childhood laughter, sibling promises, and love, as the festival's threads wove memories of years gone by. In a unique celebration, we TIGPIANs extended the Spirit of Rakhi to the brave soldiers at the SSB camp, sharing moments of love and appreciation. We also hosted a Rakhi-making activity in our school, where imagination and skill came together in a vibrant display.

Mother Teresa's Birth Anniversary

Celebrating the birth anniversary of a true angel, Mother Teresa, we honoured her legacy by spending the day with incredible students at a blind school, spreading love and kindness to those who need it most. We encouraged the students to embrace Mother Teresa's values of love, care, and devotion, inspiring them to become beacons of hope and kindness in their own communities. To symbolize the joy of giving and sharing, we distributed gifts and snacks, making the day a memorable and enriching experience for all.

Eco-initiatives & CSR

|| ADWITIYAM: Illuminating Young Minds ||

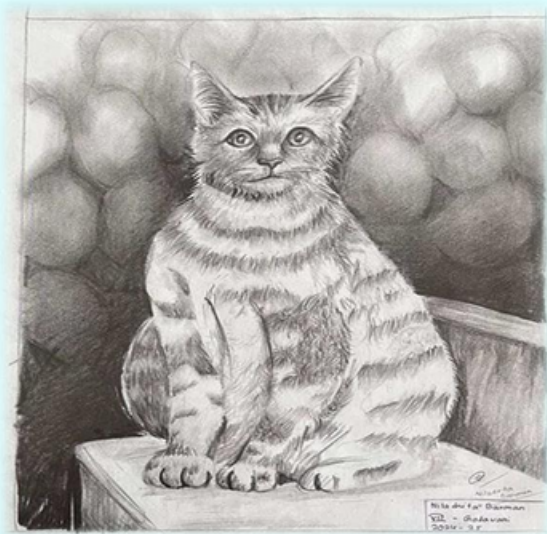

Satyam Roychowdhury Foundation's visionary CSR initiative, Adwitiyam, kindles the spark of knowledge in the lives of underprivileged children attending local schools. This noble endeavor bridges the educational chasm, presenting a comprehensive platform for holistic growth for these children. Adwitiyam fosters English speaking, computer training, and performing art. This transformative initiative makes the children confident unlocking a brighter future for India's most vulnerable. Along with training the children are provided sumptuous tiffin.

VANMAHOTSAV

To promote environmental awareness and hands-on learning, our students engaged in a compost bed preparation activity on 3rd July 2024. This initiative aimed to educate students on sustainable waste management practices and the importance of composting. Under teachers' guidance, students prepared the compost bed, layering waste and soil and learned about the composting process and its benefits. Students understood the role of microorganisms in decomposition.

STUDENTS' CORNER

Niladrita Barman, Class 7

Sandip Kumar Chanda, Class 9

Aarush Das, Class 8

Aananya Singh, Class 6

-By Anushka Mandal
Class V

Sriyak Roy, Class 6
